

### Persuasive Prompt 1

Example prompt: Write an essay stating your position on whether “big” inventions or “small” inventions play a more important role in our daily lives.

Step 1: Write the thesis with two reasons. “A” and “B”

(Thesis) because A and B

Example Thesis: Small inventions play a more important role in our daily lives **because** they are easily accessible throughout the day and they make for a simpler lifestyle.

Step 2: Write the topic sentences by taking two pieces from your thesis.

Topic Sentence A uses the A reason from the thesis and Topic Sentence B uses the B reason from the thesis.

~~Example Thesis:~~ Small inventions play a more important role in our daily lives because they are easily accessible and they make for a simpler lifestyle.

Topic Sentence A: One reason small inventions are more relevant is because they are easily accessible.

Topic Sentence B: Another reason small inventions are the best choice is because they make for a simpler lifestyle.

## Persuasive Prompt 2

Example prompt: Write an essay stating your position on whether you believe that we live in an information age or an interruption age.

One way

Another way

~~Example Thesis:~~ We live in an information age because one can answer almost any question in a matter of seconds and any news update is available at all times.

### Persuasive Prompt 3

Example prompt: Write an essay stating your position on whether it is more important to be a part of a group or to be an individual.

~~Example Thesis:~~ It is more important to be a part of a group because **having multiple brains can prove to accomplish more** and one person is more likely to make errors without help to correct them.
